A message from Executive Director Lori Carlson...

2014 was an incredible year at the

of growth and surprise and record breaking adoptions. It was a year when we served more people and animals than we had ever imagined possible in our second year at the new facility. And it was a year when Licking County said loudly and clearly "We are a humane community."

From a case where over 60 animals were rescued from a minivan to the Fur Ball that

raised over \$70,000 in critical operating

dollars, this message continued. From

the adoption of over 1100 animals to Licking County Humane Society; a year the spaying/neutering of over 1000

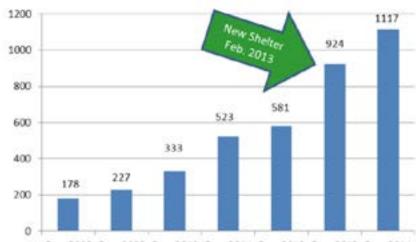

community pets, this message rang out. Our community involvement grew with the addition of dog obedience classes, subsidized adoptions for the elderly and those with special needs, and the start of a volunteer visitation program at a local assisted living program. Our pet food pantry flourished and families in crisis were assisted with rehoming their pets.

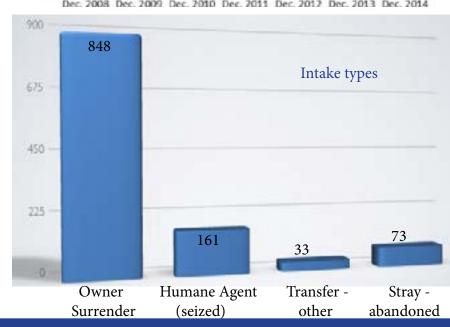

As we look forward to 2015, we are revamping our mission statement and updating our strategic goals to

help maintain our laser focus on the business of rescuing animals in need. It is our goal to continue as leaders in the community on humane issues and to benefit people in the process of serving animals. I am deeply grateful to our board, staff, volunteers, donors, partners, and community for the privilege of leading the organization and for all that they do to help us reach our goals.

Peace Fore Rescue, Fori Careson

of adoptions

Community Outreach

Total community animals altered through low-cost clinics in 2014=1003

> Total community animals altered since service began=3361

Pet Food Assistance in 2014 187 different individuals were assisted with 361 bags of food

> Since 2012, pet food assistance has been provided 676 times to someone in need.

orphaned pets. Angel Paws Club \$2,500+

Offers life-saving care to abused animals.

The Thornwood Legacy Society

Members of the Thornwood Society will help ensure that the new shelter isn't an end, but a new beginning. It recognizes individuals and families who have invested in our future by making a planned gift in their wills, trusts or estate plans.

As a Thornwood Society member you'll receive a certificate and recognition at the shelter. The LCHS will also care for any pets you leave behind

Planned gifts allow our organization to build our endowment, which ensures that we're able to help pets now and for years to come. Our organization has deeply rooted support and we believe the Thornwood Society is just one more illustration of the difference we're making for pets.

Everyone can leave something. A simple commitment of 5% of an insurance policy or retirement plan can safeguard your loved ones and provide for the care and safety of Licking County pets.

There are many ways to leave a gift. It is not the business of Licking County Humane Society to guide your estate planning. All we ask is that you let us know if you desire to include us in your estate plan. No commitment of amount is necessary, only your intent to remember our special pets in your

Please notify us today if you've included the Licking County Humane Society in your will, trust or estate plans so that we can invite you to the Thornwood Society.

If you'd like further information about including the Licking County Humane Society in your estate plans, contact us today at 740-522-7297.

The Zenna Sayre Urgent Care Fund

The Zenna Sayre Urgent Care Fund is an annual \$50,000 drive to help cover costs of medical supplies, veterinary costs and microchipping.

The homeless and mistreated animals in Licking County rely on us to meet their most basic needs. Through the Zenna Sayre Urgent Care Fund, the LCHS will be able to serve these vulnerable creatures, providing for their routine veterinary care, their specialized emergency needs, and their general health and well being.

With an annual goal of \$50,000, we can ensure that each and every animal in the shelter receives the care it so desperately needs and deserves. Help us help the animals, contant LCHS today!
