# Here are just a few ways we are *more than a shelter:*

**Pet Therapy Program** - LCHS partners with multiple local assisted living facilities, schools, and other businesses throughout the community to bring adoptable dogs and cats to share the love that pets can provide to the residents, students, and employees at these locations.

**Dog Obedience Program** - Gayle Mulvey is LCHS's Dog Training Instructor and she offers a variety of dog training classes for all levels. The classes are not just available for people who adopt from LCHS; any community member is encouraged to register.

**Low-Cost Clinics** -Our community clinics offer spay/neuter services, dental cleanings, and wellness & vaccination appointments all administered by our on-staff Licensed Ohio Veterinarians. A variety of surgical and non-surgical services are offered at these clinics which take place multiple times each month.

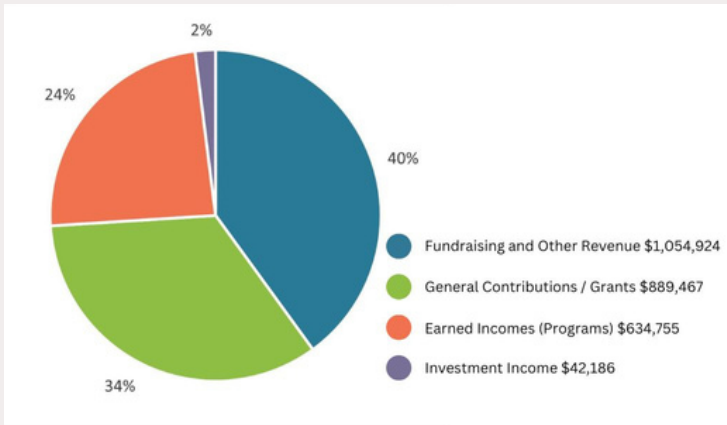

**Sophie's Thrift Store** (625 Hebron Rd) - Sophie's Thrift provides an upscale thrifting experience. The store relies on generous donations of gently used items. 100% of the proceeds from Sophie's Thrift come back to LCHS!

**Partnerships** - LCHS has formed many important partnerships, all of which serve to strengthen our bond with the Licking County community. We have developed a new partnership with the Career and Technology Education Centers of Licking County (C-TEC) in launching C-TEC's new Veterinary Science program. LCHS enjoys a long-standing relationship with Licking County Aging Partners (LCAP) to provide pet food to seniors in the Meals on Wheels program. The Food Pantry of Licking County and LCHS work together to provide donated pet food to pet owners in need. Additionally, LCHS partners with the Licking County Trap-Neuter-Release (TNR) Program to find forever homes for community cats. When temperatures are extreme, under-resourced pet owners seek refuge in warming or cooling shelters, but they do not want to leave their pets behind. To keep people and their beloved animals together, LCHS donates pet food and supplies to warming and cooling centers maintained by the United Way and Holy Trinity Lutheran (Newark, OH).

The Licking County Humane Society knows how hard you work for your money and we are honored that you invest in our mission. We have successfully balanced our operations budget for the last 8 years.
